OPERATOR BENEFITS

Due to their thick size and shape, these products stay hotter longer providing superior hold time.

Thick cuts are sturdier and are less prone to breaking than thinner fries.

The uniform size leads to better portion control, less waste for your operations, and makes it easier to calculate product costs.

Seasoned batter that keeps fries crispy and craveable for up to 30 minutes - perfect for dine in, drive-through, and takeout.

Real baked potato flavor and texture in every bite.
